To

Dewan Bahadur Dr Arcot Ramaswamy Mudaliar,
B A ,B L ,K C S I ,D C L ,
Dewan of Mysore, Bangalore

Sir,

On behalf of the Vokkaligara Sangha, I respectfully beg to submit for the gracious consideration of the Government the following -

The Government in their order No 9434-7/M1-379-08-2 dated the 29th March 1909, were pleased to grant to the Sangha 12 acr and 16 guntas of land for establishing Printing Press, erecting Hostel for students and other buildings The Sangha - as the Vokkaligara Community - has always treasured this gracious gran with deep gratitude and has fulfilled all the purposes of the grant to a great extent

The strength of the Hostel last year was about 110 This ye it has increased to 186 Next year it is sure to increase furt er more The 40 rooms of the Hostel which could accommodate only about 80 students will have to be used to handle nearly 250 stude s

The City Municipality owned a bit of land on the South W Corner and the Sangha authorities had applied in 1934 for a part of the said land at an upset price of Rs 2/- per square yard the meanwhile one Dr Palachinnappa a retired Officer in the Edu cational Department applied for the grant of the same land and also the land of the Sangha The City Municipality gave away said land on a long term lease for building a school and grante license also without the knowledge and consent of the Sangha authorities

authorities The Sangha wanted to start litigation against the Municipality for unauthorisedly granting a portion of Sangha's land on a long lease to the private party But Dr Palachinnappa, promised that he would take only the cost of construction and give back both the land and building to the Sangha and he also negotiated with the Sangha for leasing a vacant land behind the school The Sangha has leased it on on certain ~~xxxx~~ terms

When the Institution was not properly managed and it was about to be wound up the Sangha wanted to either pay the cost of construction and purchase the building or start litigation for recovery of possession of the site from both the City Municipality and Dr Palachinnappa But the Government paidthe cost of construction of the building estimating it at Rs 40,000/- and purchased it

On behalf of the Sangha and the community, I respectfully bring to your kind notice that there is a dire and immediate necessity of putting up an additional building to house about 500 inmates of the Hostel. This can be solved if the Government are pleased to grant the said school building to the Sangha according to the rules of grant, i e, taking half the cost from the Sangha and meeting the other half from the usual building grant that the Government gives in such cases.

I, therefore request you kindly to relieve the distress and suffering of the boarders who are in a miserable plight for want of sufficient accommodation and whose number is likely to be doubled next year, by the grant of the school building, for which act of kindness, the entire community will be ever grateful to you

I remain, Sir,
Very Sincerely yours,
Sd/-B T.Ramiah,
PRESIDENT
